Subject: Music Glow Banners

Just as an F.Y.I., B&H produces and pays the following for the glow in the dark banners:

4'x8' - 16 pieces @$1,000 each
6'x12' - 16 pieces @$1,500 each

As we presumed, they are hand airbrushed.

When we get a new person in Purchasing, I will discuss with them what other more cost effective vendors/options there are out there.
